

Big News.

We're Celebrating The
10th Anniversary Of The
American Eagle Program.

A Spring Offering.

Dear Mint Customer:

Why has the American Eagle Coin Program been so successful? Because of you! To celebrate its first decade and to express our appreciation for your support, we are introducing new and exciting changes.

You recommended some terrific ways to improve the program and we've listened. For 1995, Gold and Silver Proof Eagles are available much earlier, so you can give them as gifts for weddings, graduations, Mother's Day and Father's Day. And these coins will remain on sale continuously until December 31, 1995!

As a special bonus for our customers, the Mint will unveil an exceptional new **five-coin 10th Anniversary Set – minted exclusively at West Point**. We are convinced that you will be as excited about the five-coin set as we are. And for all you four-coin set collectors, we are continuing to offer our traditional set, but at a strictly limited number – **only 10,000**. Both sets offer beauty and numismatic excellence that make them a must for any collection.

It's been ten great years since Congress passed the American Eagle Coin legislation. As we enter the program's second decade, we will continue to listen to you and work hard to earn your support.

Sincerely,

Philip N. Diehl
Director, U.S. Mint
